

+ How to use PROSHIELD[◇] Foam & Spray Incontinence Cleanser

Smith+Nephew

PROSHIELD[◇]
FOAM & SPRAY
Incontinence Cleanser

Application 1: Foam mode Use the foam mode for stubborn, hard to remove debris.

- 1**
- Prime sprayer by squeezing the pump once or twice before initial use.

- 2**
- Activate the foam mode by turning the nozzle to 'ON' and pull the tip forward.

- 3**
- Pull lever firmly and spray directly onto the affected area and wipe off. No rinsing required.¹⁻⁵

Application 2: Spray mode Use the spray mode to thoroughly clean the area.

- 1**
- Prime sprayer by squeezing the pump once or twice before initial use.

- 2**
- Activate the spray mode by turning the nozzle to 'ON' (push tip of nozzle back, if on foam mode).

- 3**
- Pull lever firmly and spray directly onto the affected area and wipe off. No rinsing required.¹⁻⁵

Foam & Spray

The skin cleanser has two modes. The first is foam (Application 1) and the second is spray (Application 2). Both settings are controlled by using the nozzle.
